

Girls and Boys Basketball Clinic

Hosted by: Maryann Mitts and Heidi Gardner

Date: October 8, 2016

Price: \$30 per child

Come out and learn from the best while supporting our schools at the same time! Our very own Mary Ann Mitts was the girls' coach at MSSU for many years. During her time there, she coached her Lady Lions to the most wins by a single coach. Students from the MSSU Kinesiology Department will lead this clinic alongside her. This clinic is for players in 4th to 8th grade. Whether your daughter or son is a superstar or just a beginner, she/he will develop and improve on skills such as dribbling, passing, shooting and working together as a team. It will emphasize the importance of fellowship amongst teammates and good sportsmanship. Basketball season will be here before you know it so get your child in the game! Snacks will be served. Water bottle required.

Girls Clinic: 9am-1pm

Boys Clinic: 2pm-6pm
